Who needs to be trained?

All adult leaders should hold a current first aid qualification. If you hold a Guide Association qualification (e.g. First Response) it should be renewed every 3 years to remain current. First Aid or Emergency Aid qualifications from other bodies are acceptable qualifications provided that they cover the syllabus required by the Guide Association - for more information speak to your Mentor/Leadership Co-ordinator or see Appendix 2 page 41 of the Leadership Qualification Revised Edition 2004.
